Pennaeth / Headteacher

Mr Clive Thomas (MChem)

20th September, 2024

Dear Parents / Guardians,

Choosing your child's secondary school is one of the most important decisions you will make as a parent. At Ysgol Syr Hugh Owen, we are committed to providing the best possible education, within a safe and happy environment. We are delighted that you are considering bringing your child to Ysgol Syr Hugh Owen.

Transition to the secondary school is an exciting time for any child, but we also understand that it can be a worrying time for them. We also appreciate that transition can be stressful for parents / carers and is a crucial change in your child's life. We can assure you that your child will receive first class support during this period and that we will be here every step of the way to support both them and you throughout the period.

We are fully committed to providing the best possible education here at Ysgol Syr Hugh Owen, and our programme of study means that we can offer our pupils unique opportunities. We are breaking new ground as the school introduces the new Curriculum for Wales. Your child will receive rewarding experiences within different areas of learning and experience during the year.

We are extremely proud of our achievements in sport and music and the pupils have an abundance of opportunities to compete and to represent the school in a variety of fields. Educational trips are also offered to support pupils' curriculum and enhance their experiences.

Year 5 and 6 Open Evening

This year, we invite Year 5 and 6 pupils and parents to **an Open Evening on Thursday, 26th September 2024**. There will be an opportunity for you to have a tour of the school and to chat with the teachers and present pupils. We very much hope that this evening will give you and your child more information about the opportunities and experiences available here at Ysgol Syr Hugh Owen.

Please click on the link below, **stating the number in your family that will be attending**. You may choose one of the following time slots:

Further Arrangements for Year 6

We will organise further visits to the school for Year 6 pupils during the year, so that the pupils have the opportunity to familiarise themselves with the school, the lessons and the teachers. Our Head of Year 7, Miss Llinos Williams, will also be visiting the primary schools during the first term to get to know the pupils.

We look forward to welcoming you, as parents, guardians and pupils, to the school.

Yours sincerely

Mrs Beti Rhys
Assistant Head Teacher
